

FREQUENTLY ASKED QUESTIONS

WHAT IS COLLATERAL?

A percentage of premium that Canal collects to secure a policy. The amount is held in escrow by Canal to protect against financial exposure such as unpaid balances.

The initial collateral will be due immediately and is considered past due 5 days after your bill is issued.

IS THERE COLLATERAL ON POLICY CHANGES?

Collateral will be generated on any policy changes that result in additional premium throughout the policy term. You will be billed on your next invoice. Additionally, if a policy change results in less premium or a premium reduction, excess collateral will be returned to you.

DO I GET MY COLLATERAL BACK?

When your Canal policy expires or cancels, the balance of your collateral will be returned once all premium has been paid in full.

DOES MY COLLATERAL COUNT TOWARDS MY MONTHLY INSTALLMENTS?

The collateral does not count toward your monthly installments, but is held in escrow. No interest is paid on these funds.

HOW DO I PAY MY BILL TO CANAL INSURANCE?

Payments are made through the [Canal Pay Center](#). You need your policy number, zip code, and phone associated with your account to log into the portal. For further help, access the [instructions on using the Canal Pay Center](#).

WHERE CAN I FIND MY POLICY NUMBER?

You can find your policy number in the billing email you receive from Canal. The policy number also can be found on the cover letter of your policy.

WHAT FORMS OF PAYMENT DO YOU ACCEPT?

We accept Visa, MasterCard, and checking account payments.

FREQUENTLY ASKED QUESTIONS

HOW IS MY BILL CALCULATED?

Your invoice is a total of all your policy coverages with Canal plus any taxes and/or fees. Liability, Physical Damage, and Cargo comprise of both Mileage Based and Non-Mileage Based Premium.

Mileage Based Premium

- Miles Driven x Rate = Mileage Based Premium
- Your Rate per Mile is calculated based on policy characteristics such as radius, operation, and number of vehicles and can be found in your policy packet.

Non-Mileage Based Premium

- Fixed premium that will be invoiced each month, regardless of mileage driven.

WHY DO I OWE DIFFERENT AMOUNTS EACH MONTH?

(For example: My invoice this month was for \$1,000, but last month it was \$900. Why am I charged more money this month?) Driven by Canal is an utilization based program, meaning part of your monthly premium due is based on the total miles your truck has driven within the month. This includes mileage when you are not pulling a load. Each month, your bill will vary based on how much you drove.

IS MY DATA AND PAYMENT INFORMATION SECURE?

Yes, your data is secured. Canal's Pay Center is powered by One Inc., a PCI compliant company specializing in processing insurance payments. Read more about security and compliance [here](#).

WHAT ARE THE FEES ON MY BILL?

Please refer to the [Schedule of Fees](#) for a description of each fee associated with your bill. Please note that some fees do not apply in all states.

HOW DO I UPDATE MY CONTACT INFORMATION?

It is very important that Canal has accurate contact information for your account. Contact information changes are requested through your retail agent.

WHAT DOES MY POLICY COVER AND NOT COVER?

You can find your policy coverages in your policy packet on the form titled Business Auto Declarations Page. For specific questions, reach out to your retail agent.

FREQUENTLY ASKED QUESTIONS

HOW DO I ADD A TRUCK OR DRIVER?

Policy changes are requested through your retail agent.

HOW DO I GET A CERTIFICATE OF INSURANCE?

Certificates of Insurance are requested through your retail agent.

HOW DO I FILE AN INSURANCE CLAIM?

Call us at [800.452.6911](tel:800.452.6911) Ext. 8700 as soon as you are safely off of the road, and a Canal Service Representative will begin the claims process with you. You can also [report a loss on our website](#).

SHOULD I STILL FILE A CLAIM WITH CANAL IF IT'S NOT MY FAULT?

Absolutely! When a loss occurs, the other party may admit fault at the scene but then change their version of events later. The sooner you bring Canal into the process, the quicker we will be able to investigate the claim. Often cases are defensible, especially when key information is gathered early. Don't wait until after you receive legal documents to notify us of a claim; crucial evidence necessary to defend you may no longer be available.

HOW DOES THE CLAIMS PROCESS WORK?

As soon as you report your claim, a First Notice of Loss is created and then assigned to a claims adjuster. The core function of the claims adjuster, whether they handle physical damage, liability or cargo claims, is to gather information as quickly as possible to make the best decisions based on the facts of the investigation. In addition to reporting the loss, you may be asked to assist in the process by giving a statement, sharing photographs, providing documents, or making your equipment available for inspection. Once the claims adjuster has completed their investigation, they will communicate their findings with all parties to the loss and proceed with the settlement of damages as applicable.
