

CLAIM REPORTING

ACCIDENTS HAPPEN, QEO IS HERE TO HELP

When your company's vehicles are involved in an accident, regardless of fault or severity, please contact QEO within 24-hours.

Please comply with 24-hour accident reporting requirements, even with the seemingly minor accidents. Immediate accident reporting significantly improves the outcome of the claim and enhances the level of assistance QEO can provide. Failing to report accidents promptly could have adverse implications for your QEO commercial auto insurance coverage.
